PUT CALIFORNIA AVOCADOS ON YOUR BIG GAME MENU AND FILL THE HOUSE WITH FANS

Irvine, CA (January 2016) — There's good pre-game news for Big Game fans and the operations where they'll gather. California growers anticipate harvesting Fresh California Avocados earlier this year, so operators should check with produce suppliers for California availability. That means customers settling in for an afternoon of football can expect to enjoy a menu packed with appetizers, salads and sandwiches featuring their favorite fruit.

As appetizers, fresh spring rolls have broad appeal. Combine two customer favorites in [California Avocado-Shrimp Spring Rolls](#) and watch the orders roll in. For bigger appetites, [Chorizo Sliders with Cajun Guacamole](#) satisfy with a spicy finish and can easily feed a crowd. A long day calls for a substantial salad, and [Grilled Fajita Salad with California Avocados and Serrano Vinaigrette](#) fits that bill.

Visit CaliforniaAvocado.com/Foodservice to find these Fresh California Avocado menu specials, along with other exciting appetizer and snack recipes. While on the site, take advantage of resources to optimize Fresh California Avocado usage: [nutrition](#), [selection, storage and handling information](#). Complete the POS order form to receive *The Magic of California Avocados* recipe booklet, or call 800-370-3782.

About the California Avocado Commission

Created in 1978, the California Avocado Commission strives to increase demand for California avocados through advertising, promotion and public relations, and engages in related industry activities that benefit the state's nearly 4,000 avocado growers. The California Avocado Commission serves as the official information source for California Avocados and the California avocado industry.
